

# WESSEX APPRAISAL SERVICE CHRISTMAS SONG 2017

TO THE TUNE OF "OH CHRISTMAS TREE" by ERNST ANSCHUTZ  
MASSACRED BY DR. STEPHANIE HUGHES FOR ENTERTAINMENT PURPOSES  
WITH THE DEEPEST APOLOGIES TO THE ORIGINAL COMPOSER (MAY HE REST IN PEACE)

Oh appraisee, oh appraisee,  
I look forward to our meeting.  
Oh appraisee, oh appraisee,  
I'm as warm as central heating.  
Your challenges throughout the  
year,  
The achievements that you hold  
so dear,  
Oh appraisee, oh appraisee,  
My caring takes some beating.

Oh appraisee, oh appraisee,  
Our talk will be amazing!  
Oh appraisee, oh appraisee,  
Let's do some "navel-gazing".  
I'll challenge and support you  
well,  
I'm confident that we will gel,  
Oh appraisee, oh appraisee,  
I'll ensure I do some praising.

Oh appraisee, oh appraisee,  
Thanks for all of your reflection.  
Oh appraisee, oh appraisee,  
Your portfolio is perfection.  
I was so pleased when the email  
came,  
From Fourteen Fish which bore  
your name.  
Oh appraisee, oh appraisee,  
I like your retrospection!

Oh appraisee, oh appraisee,  
Don't think "revalidation" –  
Oh appraisee, oh appraisee,  
We'll focus on "vocation"!  
The work you do, from day to day,  
The folk you help, along the way,  
Oh appraisee, oh appraisee,  
Let's affirm your dedication!

Oh appraisee, oh appraisee,  
Patient care is not plain sailing!  
Oh appraisee, oh appraisee,  
Sometimes we all feel we're  
failing.  
But sharing with a trusted peer,  
Reframing problems from last  
year –  
Oh appraisee, oh appraisee,  
There'll be no need for de-railing.

Oh appraisee, oh appraisee,  
I so enjoy the work I do!  
Oh appraisee, oh appraisee,  
I'm proud to help colleagues  
like you.  
I couldn't do it without  
the team,  
At Southern House,  
livin' the dream,  
Oh appraisee, oh  
appraisee,  
They keep it  
personal and real -  
it's true!

Oh appraisee, oh appraisee,  
We're meeting in the morning.  
Oh appraisee, oh appraisee,  
A connection we'll be forming.  
Making a difference, listening  
well,  
Reflecting on the odd  
"bombshell"  
Oh appraisee, oh appraisee,  
I can't wait to start  
exploring!
